marifa; but the respectful and subminive manner in which the Turkish envoys had been received at the Egyptim camp, refuted the reports which had been circulated of Mehemed All having actually issued a declaration of independence, and formally thrown of the yoke of the Porte. Letters from Lephera confirm this statement, and add that the troops were much discouraged by their wash of success.

of success.

GREECE,
Lioubox, Marth 14

We were able to state some time ago, ex, clusively, that the crown of Greece had been offered by Great Britain, France and Russif, to Prince Otho, second son of the King of Bavaria, and we observed subsequently that before the offer was made the Greek Conference were aware that it would not be rejected. quent-he go-e mobs

eaks of

in her

We now announce, that official accounts of the acceptance of the Crown by the King of Bavaria, in the name and on hebalf of his son, have reached London.

The three Great Powers which have been ar Deitrating provide an efficient military establishment, and meet the other demands of expenditure

as the v under Toulon, y under Trally.

The affairs of Itally excited great interest Toulon, at the last advices. The London Courier of the 12th of March, says—it is with pain we have to say, that notwithstanding the good feelings which exists between England and e to be France, Lord Palmerston has thought it neesto be France, Lord Palmerston has thought it necessary to express great discontent at the occupation of Ancona by the French. Thereport in the highest circles, is that Lord P. has sent a Courier with instructions to our Ambassador, Lord Granville, that he should remonstrate against the conduct of the Freach not yet ion with flag should be withdrawn from the citadel of Ancona, and that the French troops should be immediately recalled. The remonstrance is, however, concluded in amicable terms, bassador, and it is not probable that any serious misundary at Ma-derstanding will result. If there is any one thing which we should consider more dangerous to our Government than any other thing, it is the adoption hastily of the views of other on the States against France. SPAIN.
